

552.232-73 AVAILABILITY OF FUNDS (SEP 1999)

The authorization of performance of work under this contract during the initial contract period and any option or extension period(s) is contingent upon the appropriation of funds to procure this service. If the contract is awarded, extended, or option(s) exercised, the Government's obligation beyond the end of the fiscal year (September 30), in which the award or extension is made or option(s) exercised, is contingent upon the availability of funds from which payment for the contract services can be made. No legal liability on the part of the Government for payment of any money beyond the end of each fiscal year (September 30) shall arise unless or until funds are made available to the Contracting Officer for this procurement and written notice of such availability is given to the Contractor.
