

I-FSS-594 PARTS AND SERVICE (OCT 1988)

(1) For equipment under items listed in the schedule of items or services on which offers are submitted, the offeror certifies by submission of this offer that parts and services (including the performing of warranty or guarantee service) are now available from dealers or distributors serving the areas of ultimate overseas destination or that such facilities will be established and will be maintained throughout the contract period. If a new servicing facility is to be established, the facility shall be established no later than the beginning of the contract period.

(2) Each Contractor shall be fully responsible for the services to be performed by the named servicing facilities, or by such facilities to be established, and fully guarantees performance of such services if the original service proves unsatisfactory.

(3) Offerors are requested to include in the pricelist, the names and addresses of all supply and service points maintained in the geographic area in which the Contractor will perform. Please indicate opposite each point whether or not a complete stock of repair parts for items offered is carried at that point, and whether or not mechanical service is available.

GEOGRAPHIC AREA	ADDRESS OF SUPPLY AND SERVICE POINT

It is desired to have available means for maintaining Government-owned items in satisfactory operating condition and to receive service at least as good as that extended to commercial customers.
