

**I-FSS-600 CONTRACT PRICE LISTS (OCT##2016) (ALTERNATE II
JUN##2016)**

(a) Upon award of a contract, eOffer will use the electronically submitted pricing information to create the contractor's Authorized Federal Supply Schedule Price List and post it to GSA *Advantage!*.

(b) The contractor is encouraged to place the GSA identifier (logo) on its website for those supplies or services covered by this contract. The logo can link to the contractor's Authorized Federal Supply Schedule Price List on GSA *Advantage!*. The identifier URL is located at <http://www.gsa.gov/logos>. All resultant "web price lists" shown on the contractor's website must include only the prices and price-related information that was accepted/awarded by the Government. If the contractor elects to use contract identifiers on its website (either logos or contract number) the website must clearly distinguish between those items awarded on the contract and any other items offered by the contractor on an open market basis.

(c) Contractor inclusion of incorrect information in the Authorized Federal Supply Schedule Price List may constitute sufficient cause for cancellation, applying the provisions of 552.212-4 *Contract Terms and Conditions* (paragraph (m), Termination for Cause), and application of any other remedies as provided by law-including monetary recovery.
