

F-FSS-772 CARLOAD SHIPMENTS (APR##1984)

When shipment is to be made by rail, to one destination, of a carload quantity which includes an item or items the overall length of which when packed and/or palletized, is 60 inches or over, the Contractor shall, when ordering cars, specify that, if available, double-door rail cars be furnished. This provision is intended solely to facilitate unloading by forklift truck at destination. Under no circumstances should scheduled shipment be delayed due to nonavailability of double-door cars.
