

**52.232-19 AVAILABILITY OF FUNDS FOR THE NEXT FISCAL
YEAR (APR 1984) (DEVIATION -- MAY 2003)**

Funds are not presently available for performance under this contract beyond (to be determined at the task order level). The ordering activity's obligation for performance of this contract beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the ordering activity for any payment may arise for performance under this contract beyond (to be determined at the task order level), until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer.
