

**52.246-4 INSPECTION OF SERVICES###FIXED-PRICE (AUG 1996)
(DEVIATION - MAY 2003)**

- (a) Definition: "Services," as used in this clause, includes services performed, workmanship, and material furnished or utilized in the performance of services.
- (b) The Contractor shall provide and maintain an inspection system acceptable to the ordering activity covering the services under this contract. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the ordering activity during contract performance and for as long afterwards as the contract requires.
- (c) The ordering activity has the right to inspect and test all services called for by the contract, to the extent practicable at all times and places during the term of the contract. The ordering activity shall perform inspections and tests in a manner that will not unduly delay the work.
- (d) If the ordering activity performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in contract price, all reasonable facilities and assistance for the safe and convenient performance of these duties.
- (e) If any of the services do not conform with contract requirements, the ordering activity may require the Contractor to perform the services again in conformity with contract requirements, at no increase in contract amount. When the defects in services cannot be corrected by reperformance, the ordering activity may###
- (1) Require the Contractor to take necessary action to ensure that future performance conforms to contract requirements; and
 - (2) Reduce the contract price to reflect the reduced value of the services performed.
- (f) If the Contractor fails to promptly perform the services again or to take the necessary action to ensure future performance in conformity with contract requirements, the ordering activity may--
- (1) By contract or otherwise, perform the services and charge to the Contractor any cost incurred by the ordering activity that is directly related to the performance of such service; or
 - (2) Terminate the contract for default.
