

C-FSS-411 FIRE OR CASUALTY HAZARDS, OR SAFETY OR HEALTH REQUIREMENTS (OCT 1992)

(a) Items in this solicitation which involve fire or casualty hazards (e.g., items containing electrical components), or safety or health requirements, shall conform to the safety standards (if any) for such products issued by a nationally recognized standards developing organization. The offeror shall identify in the spaces below whether any such standards are applicable to the products offered, and if so, which standard(s) applies. (Check one).

1. There are no nationally recognized safety standards which are applicable to any of the products offered under this solicitation.

2. The safety standard(s) identified below are applicable to the following products offered under this solicitation:

Check if there are no nationally recognized safety standards which are applicable to the other products offered (if any).

(b) **The offeror must furnish proof, satisfactory to the Government, that the products offered will conform with the requirements of the published safety standards.** Acceptable proof of conformance includes a labeling, listing, or acceptance of the product by an organization approved by the Occupational Safety and Health Administration (OSHA) as a "Nationally Recognized Testing Laboratory" (NRTL). This conformance requirement must be maintained with respect to all applicable products furnished under resultant contracts.

(c) Information regarding currently-approved NRTL's may be obtained by writing to the following:
