(b) Terms of Offering and Sales. Contractors must not offer or sell products under this contract for which they do not have authorization, as applicable.

(1) Manufacturer Authorization Program. For products that manufacturers manage through any "authorized supplier", "controlled distribution", or other similar program, the Contractor must be included in such a program to offer and sell products to the Government. The Government will rely on information provided by the manufacturer to identify such authority, to the extent provided by the manufacturer.

(2) Manufacturer Prohibitions. The Contractor must not offer or sell any product under this contract that the manufacturer of the product has prohibited the Contractor from offering or selling.

(c) Discrepancies. In the event that the Government becomes aware of any discrepancy regarding a Contractor's authorization or manufacturer prohibition, the Federal Supply Schedule (FSS) Contracting Officer will give written notice of such discrepancy to the Contractor. The Contractor shall have 30 days to respond to the discrepancy. Failure to respond to or resolve (as applicable) a notice of discrepancy may result in cancellation of this contract, in whole or in part, in accordance with GSAR clause 552.238-79, Cancellation.
