

Executive Summary

Information Technology Schedule 70 Solicitation **FCIS-JB-980001-B**

Refresh 55, published June 13, 2019

A GSA Federal Supply Schedule (FSS) solicitation refresh is a published amendment typically requiring updates to provisions and clauses, Special Item Numbers (SINs), and terms and conditions or scope. The purpose of this Refresh is to incorporate a complete set of standard, non-standard and unpublished Wage Determinations.

1. The following attachments is [UPDATED/ADDED](#):
